ETHOS LITERACY

An Adult Education Center

WHO WE ARE

Ethos Literacy fulfills the ambitions of the immigrant who is striving to achieve the American Dream and the low literate adult who thinks the dream is no longer within their reach by empowering them with the necessary literacy skills to communicate like their peers without reproach.

Through free one-on-one or small group instruction we give these individuals the opportunity to learn in an intimate, supportive environment where they can address their literacy gaps free from society's stamp of shame.

"My life has changed a lot...[Ethos Literacy] finds someone who fits perfectly just for you. It works, that's all I can say - it really works."

OUR SERVICES

BASIC LITERACY

Learning to read and write is by no means an easy feat, but through cooperation of our students and the persistence of our tutors, we believe we can facilitate progress!

ENGLISH AS A SECOND LANGUAGE

Our goal is to help our students increase their vocabulary, improve pronunciation, and increase conversation.

GED/HISET PREP

The flexibility in scheduling that our program offers students allows them to pursue their GED without coming into conflict with their personal/work schedules.

CITIZENSHIP CLASS

The process of becoming a citizen can be stressful, but we are here you prepare for your citizenship test. We cover important U.S. history and government topics to help you feel more confident about acing the test.

WANT TO VOLUNTEER?

This is one of the simplest ways to help out our cause. We believe the best way for our initiatives to be successful is for the community to actively get involved.
